Native Youth Club

Join Us

Did you know that the Office of Indian Education of the Sioux Falls School District reports over 50 different Native American tribes were represented among the students registered with the district? Our mission is to provide experiences and services for all people to learn, celebrate, and share through our community's cultural diversity. The Multi-Cultural Center acts as a bridge between people, services, and has programs designed to assist all people in our community. The Native Youth Club (NYC) is a cultural enhancement program designed specifically for Native American students in grades K-5. All lessons are designed specifically to increase awareness of cultural traditions, history, symbolism, and language of all Native Americans.

MCC instructor Lyla Moore says "Learning about your culture is essential to life." Additionally, homework assistance is provided for children who need it.

The NYC meets every Friday from 3pm-5pm during the school year. The Multi-Cultural Center provides snacks and transportation for students attending Hawthorne, Longfellow, Lowell, and Terry Redlin Elementary schools. Enrollment is open to all students that attend school in Sioux Falls and the surrounding area, but we provide busing from the schools listed above.

Shopko Rocks!

We appreciate you!

It is because of generous donors such as Shopko that MCC is able to continue to provide the absolute best after-school youth program we can.

The goal of our after school programs is to provide a free, safe, culturally sensitive environment where students can grow academically. The objectives of this goal are safety, respect of the different ethnic cultures represented in the classes, and academic improvement.

Our mission is to provide experiences and services for all people to learn, celebrate, and share through our community's cultural diversity. We offer programming to meet the needs of the community through Froggy Reads, Natives Count, Native Youth Club, and Self-Defense/Judo.

All of our afterschool programs are free of charge to our students, as well as transportation and an after-school snack. This would not be possible if it weren't for such a great community of individuals and business such as Shopko. Thank you to store manager Kevin Haney and the Shopko team for your donation of \$250.00.

If you would like more information about our after-school programs you can go to our web site at www.sfmcc.org, or call at (605)-367-7401.

MCC will participate in HyVee's helpful smile program!

What does that mean? There will be a donation box at each of the check stands in all of the Sioux Falls locations. For every dollar that is donated by customers, HyVee will match it, up to \$1000. That's \$2000 for our after-school programs and our job services program! So when you stop in to HyVee keep us in mind and all the assistance we provide to the Sioux Falls community. Thank you in advance for your support.
