Last year the Festival of Cultures provided over 25,000 people with cultural education, diversity, and community involvement. This is a free, family-friendly event open to the public. The education provided through the display of customs, color, music, art, food, and dance is inclusive of, and welcoming to, all cultural communities. In 2015, Festival of Cultures had over 40 countries represented as vendors and entertainment, and many more as attendees. We encourage people of all ages and backgrounds to attend and participate in Festival of Cultures.

This year will mark the 20th Annual Festival of Cultures. The goal is for attendees to learn something new. We want diversity to be prevalent and valued, and to be seen as an asset to our community. Festival of Cultures is a cohesive interaction of people from all backgrounds, and our hope is that participants embrace the opportunity to see the world from a different point of view.

With awesome entertainment, fabulous food, and unique merchandise, it will be a great day in Falls Park. Kids' World features new activities each year and is always located close to the Entertainment Stage and the food vendors. An event of this magnitude requires many partners from

volunteers to sponsorships. We appreciate and encourage involvement from the community. If you would like to volunteer, please sign up here:

Sponsorships still available!

Planning and hosting the family-friendly Festival of Cultures takes a community to make it a success. The 20th Annual is shaping up to be the best one yet. If you or your company is interested in sponsorship contact: roxie@sfmcc.org

Summer C.A.R.E. Camp

Four 2-week sessions

It is time to sign up for C.A.R.E. Camp! C.A.R.E. is cultural appreciation, respect, and education. This is a science and math (STEM) focused camp while offering unique cultural experiences, recreational opportunities, nutritional education, and much more. Students of all backgrounds are encouraged to attend.

During summer vacation, many students lose some knowledge learned during the school year. According to research done by RAND Education, by the end of summer, students perform, on average, one month behind where they left off in the spring. MCC is helping to combat this by offering educational based summer camps for free.

Each camp offers different activities. Some activities in past years have included science exploration, Outdoor Campus, the forensics lab at the Sioux Falls Police Department, 4-H, field trips, community gardening, picnics, Sioux Falls Fire and

Rescue, and activities at the Washington Pavilion.

Each session is two weeks long, Monday through Friday, from 9am to 3pm. Transportation is available within bus boundaries. Registration is FREE, but you must register. Sign up early! Sessions are limited to just 60 children (K through 5th grade) per camp.

For more information on C.A.R.E. see our website [C.A.R.E. Camp brochure](#) or stop by the Multi-Cultural Center and pick up our C.A.R.E. Camp brochure

Meet the Staff

Gihan Ismael

Meet Gihan. She works with the children in our After-School Program, and helps to transport them from school to MCC. Gihan is one of our much utilized Arabic interpreters. When she is not with the kids after school, she is generally on assignment for interpreting.

Gihan is from Egypt and Libya. She moved to Sioux Falls in 2010 and she has four children that keep her very busy. In her spare time she volunteers at the Muslim Community Center teaching Arabic.

After-School Program

Nearly 80% of future careers will require a solid foundation in STEM (Science, Technology, Engineering, Math) areas. However, many students never develop the basic analytical, problem-solving skills important to academic achievement and subsequently, high school graduation. As a result, many students drop out of high school and then have difficulty competing in the current workforce. The After-School Program helps these children achieve the success they deserve.

Education

Home ownership is on most people's list as a priority in life. These great people are from the Congolese community are no different. They are getting all their questions answered and more about first time home buying in South Dakota. Providing education and diversity training is a priority for Multi-Cultural Center and it is how we make this great community stronger.

Judo

Tuesdays 6 pm-8 pm

Pictured are some of our awesome kids that are involved in the Judo class at MCC. The instructor, Brad Walker is also the owner and head instructor at Dakota Budokan. Judo is known as "the gentle art" or "the gentle way". The techniques are based on timing, leverage, and knowledge. Judo is free at MCC, it is every Tuesday night, and children ages 5-17 are invited to participate. Registration is required.

Language Classes

Its official! The next Spanish class will begin May 10th. It will be every Tuesday and Thursday from 6-7pm for six weeks. If you're a beginner or intermediate, you will learn valuable information in this class.

Some of the benefits of knowing a second language are being a better job prospect, brain health, opening up opportunities for better travel experiences, improving your understanding of the world, and personal

achievement. Learning a second language is certainly something to be proud of.

We would also like to begin an Arabic language class. If you are interested in learning any language, contact <mailto:roxie@sfmcc.org>
